

## Google Pay

**Google Pay** is a payment technology for easy and safe payments with Android devices.

### Application download and set up:

- Download the app on Google Play
- Click add payment method and enter your Visa Classic card details
- Enter the verification code from the SMS for confirmation of registration

### Payments in stores, apps and on websites:

Pay with Google Pay quickly and easy anywhere you see one of these symbols or G Pay logo in apps and on websites:

For payments in stores unlock your phone and place it on top of a terminal.  
After successful payment, you will see a blue checkmark.
